## **Freedom of Information Request**

23 January 2024

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

We can confirm that we do hold the information you are requesting

How many procedures which required a post-operative in-patient bed were performed under the care of an anaesthetist in your hospital between 14th November 2022 8am and 13th November 2023 8am? These procedures should exclude obstetric, cardiac and any patient <18 years of age and of course day case surgery. Procedures will almost always, but not exclusively be surgery.

Ideally, we would like this split on a week-by-week basis to enable us to evaluate the trends across the year, however if this is not feasible, having the overall figure will still be valuable for us

Please see our response in the table below:

| Nov-22  | Week | No of<br>Procedures |
