

Freedom of Information Request

Ref: 21-043

1 February 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

I would like to submit an FOI Request about the NEST (Newborn Emergency Stabilisation & Transport Team) service

Please could you confirm the current provider/supplier of this service and the contract expiry date?

The service is part of the University Hospitals Bristol and Weston NHS Foundation Trust contract with NHS England on an ongoing basis from when it was commissioned. Our current annual contract ends on 31 March 2021, but the contract for this service will naturally continue into next year's contract commencing 1 April 2021, and is a service that always rolls over year on year, unless NHS England decide to re-tender/re-commission.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
