For each of these years, please could you provide figures broken down by the reason behind the cancellation or delay, e.g. lack of staff, lack of bed capacity, or lack of equipment.

Please see the attached document. we can only provide data from 2019 onwards.

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of information Act 2000 is engaged. (Section 40 is the exemption for personal information).

Please could you provide figures on the five longest waits for an operation currently faced by under-18s at your trust, e.g. 110 days, 98 days, 200 days. For each of these waits, please could you provide a summary of the surgical procedure in question, e.g. heart surgery.

We have not provided the information in the requested format as we have considered that there is the potential for the individuals to be identified, when considered with other information that may be in the public domain.
