Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some of the information you are requesting

Can you please advise me, in the last five years how many patients have been referred from Yeovil hospital for liver cancer.

We are unable to supply total numbers of referrals as the data is not held on our system, but between January 2018 and December 2022 there were 21 patients with a diagnosis code of C22 that were treated at University Hospitals Bristol and Weston NHS Foundation Trust after first being seen at Yeovil Hospital.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
