**Please provide the latest data for:**

We do not hold this information.

- **Number of NHS nurses in UHBW are not on 'Agenda for Change' contracts**

\*

Please note: Where the figures are between 1 and 5, this has been denoted by \*. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of information Act 2000 is engaged. (Section 40 is the exemption for personal information).

- **The proportion of NHS nurses in UHBW that are not on 'Agenda for Change' contracts**  
0.06%

Please note that we cannot provide any information for nurses contracted through nursing agencies.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
