By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

I kindly request your assistance in providing me with information regarding the prevention strategies implemented or planned by your NHS Trust (if available) in line with the NHS Long-Term Plan 2019.

Specifically, I am interested in obtaining details about the measures, initiatives, and actions taken by your NHS Trust to address the "prevention" aspect outlined in the NHS Long-Term Plan. This may include but is not limited to:

Strategies or programs focused on promoting healthy lifestyles and preventing diseases.

Initiatives aimed at reducing health inequalities and improving access to preventive healthcare services.

Collaborations with local authorities, community organizations, or other healthcare providers to enhance prevention efforts.

Allocation of resources or funding for prevention activities.

Policies or guidelines related to preventive healthcare services.

This may be referred to as a "prevention strategy". I would like to see any overarching prevention strategies from the trust, not individual departments.

Please see the link below for the Trust's Strategy 2025 document.
