By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Can I request the number of patient safety incidents that resulted in a severe or death degree of harm to the patients (as defined by NHS England here) and what month and year they took place from 2010 to present please.

Can I also have these as two separate figures - one for severe and one for death - and a figure of how many deaths there were in total as an incident can refer to more than one death.

We are able to obtain this information however we have decided to apply Section 21 of the FOIA as this information is reasonably accessible in the public domain on the following link on the NHS England website: <https://www.england.nhs.uk/patient-safety/organisation-patient-safety-incident-reports>.

Please also see the following link for the latest publicly available data:
