Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

I am looking to find out how many organisations are compliant with the UHA guidance which states that clinical academics should comprise of

Could I ask that you therefore send me the number of substantive consultants within your Trust

/ the number of clinical academics / what this equates to as a percentage.

55 – 7.8%

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
