Ref: 23-759

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

1. How much has your trust spent on new diagnostic equipment in each of the past three financial years, e.g. x ray machines, CT scanners, MRIs etc?

2020/2021: £1,527,300 excluding VAT

2021/2022: ££3,064,507.62 excluding VAT

2022/2023: £574,107.37 excluding VAT

2. How much has your trust spent on maintaining and repairing old equipment in the past three financial years?

We cannot provide this information as the order data covers multiple years on each purchase order. Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

3. How many diagnostic machines did you purchase in the last financial year?

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust

Trust Headquarters
Marlborough Street

BS1 3NU

Please remember to quote the reference number above in any future communications.

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log.
