

Freedom of Information Request

Ref: 23-843

9 November 2023

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

How many organisations are compliant with the UHA guidance which states that:

"If any of a foundation trust's hospitals have a formal relationship with a medical or dental school provided by a university, at least one member of the council of governors must be appointed by that university".

Could I ask that you therefore send me the number of governors you have from a University.

We currently have one governor appointed by a University (the University of Bristol) which has a Medical School/Dental School with whom we have a formal relationship. We have a second governor appointed by the University of the West of England (UWE) but UWE does not have a medical or dental school.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
