

Freedom of Information Request

Ref: 23-923

15 December 2023

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Q1. How many haemophilia A patients are registered with your centre, and how many of these patients are classified as exhibiting mild, moderate, or severe disease.

Mild: 116

Moderate: 27

Severe: 121

Q2. In the last three months, how many Haemophilia A patients, including on-demand patients, have been treated with the following products?

- Advate 18
- Adynovi *
- Elocta *
- Esperoct 13
- Factor Eight Inhibitor Bypass Activity (FEIBA) 0
- Hemlibra (standalone) 81
- Hemlibra in combination with any Factor VIII 7
- NovoEight *
- NovoSeven RT *
- Nuwiq *
- Obizur 0
- Refacto AF 11
- Any other products 0

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of

information Act 2000 is engaged. This follows NHS Digital (formerly HSCIC) analysis guidance (2014) which states that small numbers within local authorities, wards, postcode districts, providers and Trusts may allow identification of patients and should not be published.

Q3. For patients treated with Advate in the last three months, please provide:

• the number of haemophilia A patients treated prophylactically *
