

Freedom of Information Request

Ref: 24-123

26 February 2024

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please see the questionnaire regarding the causes of sudden cardiac death (SCD) in patients with cardiac devices. Despite an estimated 50,000 to 70,000 annual SCD cases in the UK, post-mortem device checks are not routinely performed, leading to missed insights into the exact causes of these deaths. Our project aims to explore variations in current practices.

Therefore, we kindly are requesting information on your institution's post-mortem procedures related to patients with cardiac devices.

Please see our response in the attached document.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be

contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
