Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Under FOI please could you specify how many patients have died OF Covid this year?

When I say covid, I mean all those who were specifically taken into hospital WITH covid and died of covid and not with any other issues or unrelated issues or diseases.

We do not differentiate to this detail as per national NHSE/I guidance. We are recording and reporting deaths of all patients who have tested positive to Covid-19 and have subsequently died within 28 days of a positive test result as per government guidance

Section 21 of the FOIA provides that we are not obliged to provide the requested information if it is already reasonably accessible in the public domain.

This information is reasonably accessible in the public domain on the following link:

<https://www.england.nhs.uk/statistics/statistical-work-areas/covid-19-daily-deaths/>

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
