

**Freedom of Information Request**

**Ref: 21-355**

12 July 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some the information you are requesting

**1. How much did the organisation spend on agency (non-contract) staff and internal bank staff for the financial year 20/21 (April 2020 - March 2021)? Please fill in the spend in the table below for each staffing group and total, giving a breakdown of spend associated to Covid-19 and not related to Covid-19.**

We do not hold this information due to WLIs not being separated from OT so there is no way of calculating it.

**2. How much did the organisation spend on Waiting List Initiative (WLI) and Overtime payments to staff (WLI payments refers to any sessional payments made for additional time worked under a system called the Waiting List Initiative, used by trusts to reduce waiting lists and meet government targets. Overtime payments are defined as any payment for additional time beyond the standard FTE for the grade). Please fill in the spend and number of sessions/hours in the below table for each staffing group and total.**

Please see the attached document.

Please note for the purposes of the attached table, medical staff overtime has been defined as any additional sessions worked that weren't specifically designated as "WLI" on the forms used by doctors to claim payment. In practice, nearly all additional sessions worked by doctors are to deal with "waiting lists" and meet "government targets"

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
