Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting
- **What is the name of the company that currently carries out your PAT testing?**
- **How many units do they test on your behalf?**
- **What is the value of the PAT testing contract?**
- **When does the contract come up for renewal? (ideally month/year)**

We no longer carry out PAT Testing on an Annual basis in line with the new guidelines set out by the Health & Safety Executive on this link <https://www.hse.gov.uk/pubns/indg236.pdf>

Items in excess of a year of purchase can be risk assessed by the user, if testing is deemed required a request for 'New Work' can be raised on our reporting System 'Agility'

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
