

Freedom of Information Request

Ref: 21-419

10 August 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please can you provide details of any events, physical installations or infrastructure, or other ways the trust has celebrated LGBT+ Pride, during the calendar years 2020, and 2021 to date.

No physical events or installations were held due to COVID-19 restrictions; however the Trust marked LGBT+ History Month through internal communications and through our social media accounts. In 2021 the Trust also filmed a video which was sent to Bristol, North Somerset & South Gloucestershire Clinical Commissioning Group to display as part of its Pride Events. Members of the network have also attended and contributed to events organised by Bristol, North Somerset & South Gloucestershire Clinical Commissioning Group.

Please itemise how much each event / physical installation / piece of infrastructure cost the trust. If the cost was funded or part-funded from external funds (eg by an NHS-related charity, by a non-NHS charity, or by a community group) please stipulate how much of the funding came from each external source, and how much from trust funds.

If the trust has had more than one event, or put in more than one installation / piece of infrastructure during 2020 and 2021 to date, please give details and a cost breakdown for each separate item.

Zero cost

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Please remember to quote the reference number above in any future communications.
