

Freedom of Information Request

Ref: 21-508

5 October 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

1. Do you currently have any relationship with a clinical research organisation (CRO/CDMO) as a trust?

Yes.

2. If you currently have contracts ongoing with clinical research organisations, can you detail contract value and duration?

We have considered whether it would be in the public interest for us to provide you with the requested information, despite the exemption being applicable. In this case, we have concluded that the public interest favours withholding the information. We reached the view that, on balance, the public interest is better served by withholding this information under Sections 43 of the Freedom of Information Act at this time.

3. Are you performing clinical trials on behalf of a clinical research organisation (CRO/CDMO)? If so, can you detail how many clinical trials you have performed since 2015 for the clinical research organisation and which hospitals are performing them?

Attached is a list by CRO of the number of trials opened since 2015 where UHBW have a contractual arrangement with a CRO, including at which UHBW hospitals the trials were/are being conducted.

4. How does the commissioning work for clinical research organisations?

This is a sponsor decision and responsibility, rather than that of the research site.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
