

Freedom of Information Request

Ref: 21-645

22 December 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some the information you are requesting

1. How many patients have been treated for advanced (FIGO Stages III and IV) high-grade ovarian (epithelial ovarian, fallopian tube or primary peritoneal) cancer over the last 3 months? If none, do you refer ovarian cancer patients to another trust, if so which one?

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

2. How many ovarian cancer patients (any stage) have been treated in the last 3 months with:

- Paclitaxel in combination with a platinum-based compound - 29
- Platinum-based therapy alone (cisplatin or carboplatin) - 13
- Bevacizumab in combination with paclitaxel and carboplatin - 6
- Olaparib - 16
- Olaparib + Bevacizumab - 1
- Niraparib - 21
- Rucaparib - 2

3. Of the ovarian cancer patients (any stage) treated over the last 3 months, how many patients:

- Received HRD (homologous recombination deficiency) testing
- Received BRCA testing
- Tested HRD positive
- Tested BRCA positive (BRCAm)

We do not hold this information. This data is not applicable to the Trust as we do not host a

breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

2. How many people with a family history of breast cancer but have not been diagnosed themselves were referred to your services for predictive testing for BRCA1 and BRCA2 mutations in:

a. 2015

b. 2016

c. 2017

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

3. In 2015:

a. what proportion of people who have had a diagnosis of breast cancer undergoing testing for BRCA1 and BRCA2 mutations received their results within:

i. Eight weeks

ii. More than eight weeks

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

b. what proportion of people with a family history of breast cancer who have not been diagnosed themselves undergoing predictive testing for BRCA1 and BRCA2 mutations received their results within:

i. Two weeks

ii. More than two weeks

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

4. In 2016:

a. what proportion of people who have had a diagnosis of breast cancer undergoing testing for BRCA1 and BRCA2 mutations received their results within:

i. Eight weeks

ii. More than eight weeks

b. what proportion of people with a family history of breast cancer who have not been diagnosed themselves undergoing predictive testing for BRCA1 and BRCA2 mutations received their results within:

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

4. If data for HRD testing is available, please provide how many HRD positive patients

were treated in the last 3 months with:

- **Olaparib**
- **Olaparib + Bevacizumab**
- **Niraparib**
- **Other treatments**

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

5. If data for HRD and BRCA testing is available, please provide how many HRD positive-BRCA positive patients were treated in the last 3 months with:

- **Olaparib**
- **Olaparib + Bevacizumab**
- **Niraparib**
- **Other treatments**

We do not hold this information. This data is not applicable to the Trust as we do not host a breast cancer diagnostic service. All Bristol patients are seen at North Bristol Trust please contact their Freedom of Information Team foi@nbt.nhs.uk

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information

(such as your name, email and so on) from any information we make public to protect your personal information.
