Ref: 21-669

29 December 2021

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Thank you for the response. The web page you have provided only provides information regarding the policies relevant now (during the pandemic). Can you confirm the policy is the same as the policy was before the pandemic (eg Jan-Feb 2020) and this version is now the permanent policy?

The Trust works in line with national guidance for visiting and considers and monitors both local community prevalence of Covid 19 infections and Hospital cases or ward outbreaks when setting the guidance for patient visiting. Based on the current situation the Trust does not have a set of defined criteria for reverting to the patient visiting policy before the emergence of Covid 19.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be

contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
