

Freedom of Information Request

Ref: 22-150

29 March 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

I am looking for the latest statistics as to how many young people accessed UNITY aged 13-16yrs to seek advice with their sexual health needs. I am doing a sexual health module at UWE and it would be good if I could include local statistics.

From January 2021-December 2021, there were 2152 attendances from young people aged 13-16 years old accessing all Unity sexual health services to seek advice. This includes attendances at Central Health Clinic, Concord, WISH, Community Clinics, Brook and requests made to the postal self-testing kit service. This excludes termination of pregnancy services. Please note, attendances may include more than one visit to the service by the same individual.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Director of Corporate Governance
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
