- We can confirm that we do hold the information you are requesting

**I am interested in researching the impact of diversity and racial inequality among health practitioners within the NHS and would like, if possible, the data on the race and nationality of band 5-7's that apply for roles within the BRHC, primarily within the Children's Emergency Department. For this research I would need the race/ ethnicity of applicants and how many people from BAME groups have applied for these roles within the past five years.**

Please see the attached document. \* \*\*

\*Please note that we only have applications available to us for the last 14 months.

\*\* As the overall numbers involved are low, percentages have been given to protect anonymity.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
