

Freedom of Information Request

Ref: 22-285

29 June 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

FIRST, I would like to ask for a PDF VERSION to be sent to this email of the organizational chart or organogram showing the C.E.O, C.O.O AND the senior management officers and junior officers, their ranks and positions.

Please see the attached document.

I want to see the lowest level employees or members of staff and to the highest level and the reporting line who reports to who is easily found and demonstrated in the structure chart or an organogram.

The Trust does not hold this information.

SECOND, I would also like you to send me as PDF VERSION your current Strategic Plans, Business plans, sustainability plans and annual reports.

Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time. However, the Trust Annual Reports are published on our website - please see the link below.

THIRD, Is it possible for your corporation to donate computers or tablets or smartphones or medical technologies or medical diagnostic equipment or hospital beds or books for schools or charities or hospitals in Tanzania in East Africa?.

I mean used or refurbished laptops or tablets or desktops or used medical equipment or medical technologies or used books. Things that your corporation and its employees have used instead of throwing them away you could send them to us in Tanzania

because we desperately need medical and school items.

No.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
