

Freedom of Information Request

Ref: 22-313

13 July 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some of the information you are requesting

- Number of patients who died with COVID-19 as the primary cause of death - as documented in par 1a of the death certificate (in each month)

Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

- Number of patients who died with COVID-19 as a secondary cause of death - as documented elsewhere on death certificate (NOT in part 1a) (in each month)

Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

- Number of patients admitted with COVID-19 (in each month)

We are able to obtain this information however we have decided to apply Section 21 of the FOIA as this information is reasonably accessible in the public domain on the following link:

<https://www.england.nhs.uk/statistics/statistical-work-areas/covid-19-hospital-activity/>

Section 21 of the FOIA provides that we are not obliged to provide the requested information is already reasonably accessible and therefore we are withholding this information at this time.

- Number of patients infected with SARS-CoV-2 while in hospital (in each month) 2020

Hospital Site	Number of probable hospital-acquired Covid-19 infections (8-14 days after admission)	Number of definite hospital-acquired Covid-19 infections (>14 days)
Bristol Royal Infirmary site	203	244
Weston General Hospital site	80	101

Please note we are unable to break down the totals into months as per your request due to a system migration. Data is for the period 01 March 2020 – 31 May 2022

Please express the above data as monthly figures for the date range January 2020 - May 2022

- Number of beds in the hospital on January 1st 2020

930

- Number of ITU beds in the hospital on January 1st 2020

182

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
