By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do not hold the information you are requesting

I am requesting the Regulation (EU) 2016/425 Declarations of Conformity for all type IIR surgical masks provided as PPE to staff since 15 June 2020. Regulation (EU) 2016/425 states that the Declarations of Conformity must be provided physically with the PPE or a weblink printed on the PPE packaging. Which means if the PPE provided is legally compliant, then the Declarations of Conformity will be readily accessible.

The Type II Surgical Masks used by the Trust are supplied by NHS Supply Chain as part of the national provision of PPE. If you require further information please contact NHS Supply Chain at FOI@supplychain.nhs.uk

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
