Ref: 22-566

12 October 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

1. How do you manage your meetings (organise agenda, minutes etc)? Do you use a committee meeting management software such as a board portal (CMIS, Modern.Gov, iBabs etc) or just emails etc?

We are currently in-between paperless board providers. Our aim is to manage all of the Trust's Board and Committee meeting governance via such board portals.

2. If yes, what is the name of the supplier?

In the past, we have had contracts with Diligent and AdminControl.

3. If yes, what is the contract expiry and contract review date?

Not applicable

4. How many users are on the board portal/management solution, and how much do you spend on this?

We have 25 core meeting users which are members of the Board and Committees. We have procured our board portals via the Government G Cloud framework and supplier costs are available on the government website.

5. What is your cost per user?

This varies according to the provider/contract. We have procured our board portals via the Government G Cloud framework and supplier costs are available on the government website.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
