Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Of those patients waiting longer than 12 hours from decision to admit to admission in A&E at your Trust, what was the longest wait over 12 hours between September 2021 and September 2022? If possible, please provide a reason for the delay.

We have not provided the information in the requested format as we have considered that there is the potential for the individuals to be identified, when considered with other information that may be in the public domain. In our view disclosure of information would breach the Data Protection Act. Therefore please find that Section 40 (2) exemption contained within the Freedom of Information Act 2000 is engaged. Section 40 is the exemption for personal information.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
