

Freedom of Information Request

Ref: 22-629

31 October 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

What was your midwife to birth ratio in 2021?

The Trust does not express midwifery staffing in this way birth:midwife ratio is an expression at aggregate level and is not sophisticated enough to be effectively utilised. The Trust uses the Birthrate Plus workforce planning calculation. In 2022, the calculation showed that the Trust required an additional 1 WTE midwife for the number and acuity of births at this current time.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street

BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
