

Freedom of Information Request

Ref: 22-673

30 November 2022

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some of the information you are requesting

a) number of births for each of your maternity hospitals Jan-Dec 2020 & Jan-Dec 2021, and any linked birth centres for the same periods.

January – December 2020: 4875

January – December 2021: 5100

b) number of attendances of antenatal classes under the care of your Trust for the same periods.

We do not hold this information. We did not hold any face-to-face antenatal classes due to Covid risks from March 2020. We held antenatal classes in all the areas in January and February 2020 but we do not collect attendance numbers for this.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF
