By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we hold some of the information you are requesting

How many patients with Primary or Secondary Liver Cancer have been referred to the BRI Bristol, from Musgrove hospital in Taunton, in the last 5 or 7 years.

We do not hold information on secondary Liver Cancer as the Cancer Registry does not use secondary codes, so we are unable to report on this. However, in the last 5 years there have been 6 referrals to the Bristol Royal Infirmary from Musgrove Hospital in Taunton for Primary Liver Cancers only.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
