[REDACTED], thanks for the call this week

The next step was for me and the national commissioning team to come to Bristol and meet you and key team members to start the dialogue.

I think a 2 hour meeting slot will cover the time where we can brief you and your senior team on the national programme and the next steps for Phase 2 providers. I'll bring team members – suggest from your end would best include yourself, the clinical director where you envisage this might fit in your organisation, the service manager, a key contact from finance, and a communications lead. In addition if available your research clinical lead.

Can we suggest Monday 6 March at 2pm?

Suggest please keep this information to the senior team only, all actions we take on this service tends to reach the media very quickly
