Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

**Could you provide the information to show a list of which hospitals within your trust have the relevant equipment to treat patients who refuse blood and blood components (such as Jehovah's Witnesses) in an emergency situation?**

**To give you an example, should a Jehovah's Witness be involved in an accident and they were bleeding out, which hospital(s) in your trust would have the facilities available to treat them in accordance with their beliefs regarding no blood transfusions? This would be hospitals with a cell salvage machine at the very least on site, for example.**

We have cell salvage equipment available in the following sites:

Bristol Royal Hospital for Children  
Bristol Royal Infirmary  
St Michael's Hospital

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
