Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

**- When does the existing maintenance contract(s) expire for the Trust's Orthopedic Power Tool Inventory?**

There are various contracts in place for the maintenance of specialist Orthopaedic power tools the largest of which expires on 14/01/2029 (Medtronic), the secondary contract (by value) expires 28/02/2026 (Stryker).

**- Who is your current service provider of Orthopedic Power Tool repair and maintenance?**

Trust has multiple suppliers for Orthopaedic power tools, dependant on specific clinical requirement and options at point of purchase/rental. When out of warranty these are generally supported with service contracts from OEM manufacturers, significantly Medtronic and Stryker.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
