Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting
- **Number of Home Parenteral Support (HPS) patients for all indications as of 31/03/2024**

- **Number of HPS patients for intestinal failure of advanced malignancy (Palliative PN) as of 31/03/2024**

*

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of information Act 2000 is engaged. This follows NHS Digital (formerly HSCIC) analysis guidance (2014) which states that small numbers within local authorities, wards, postcode districts, providers and Trusts may allow identification of patients and should not be published.

- **Does the Severe Intestinal Failure Service have an established bed base in the Trust or "Ringfenced" beds?**

o **If Yes, How many**

- **Does the SIF service at your trust facilitate remote HPN discharge from external hospital trusts?**
