By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do not hold the information you are requesting

**I am looking for policy information about second hand smoke exposure to staff undertaking home visits. Could you provide me with the latest smoke free policy (pdf) for your organisation.**

**Could you also provide some additional details about any documented ongoing plans to update the current policy**

**I am looking for information about staff visiting patients at home and their potential exposure to second hand smoke**

We do not have a smoke free policy for staff visiting patients as University Hospitals Bristol and Weston NHS Foundation Trust staff do not undertake home visits.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:
