

Freedom of Information Request

Ref: 24-731

8 October 2024

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please provide data on seasonal affective disorder diagnoses for the years 2021, 2022, 2023, and 2024. Specifically, I request the following details:

The number of cases from each year and 2024 so far, as specified above also showing the geographic areas where cases are reported. I.E each hospital under your NHS Trust.

Hospital name	Admission year			
	2021	2022	2023	2024
Bristol Haematology and Oncology Centre	0	0	*	*
Bristol Royal Hospital for Children	0	*	0	0
Bristol Royal Infirmary	*	*	6	*
St Michael's Hospital	*	*	*	*
Weston General Hospital	0	0	*	*

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of information Act 2000 is engaged. This follows NHS Digital (formerly HSCIC) analysis guidance (2014) which states that small numbers within local authorities, wards, postcode districts,

providers and Trusts may allow identification of patients and should not be published.

A section showing the percentage rise and falls of cases from 2021-2023 and 2024 so far. In a clear breakdown of each year, showing the geographical areas where cases are reported such as a breakdown for each hospital under your NHS trust.

Admission year	Total
2021	8.70%
2022	17.39%
2023	43.48%
2024	30.43%

Please note that we have provided the percentage rise per Trust rather than by hospital site due to the low numbers.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
