

Freedom of Information - Internal Review

Ref: 24-878

18th December 2024

By Email

Dear Sir or Madam

Thank you for your email dated 11th December 2024 requesting a review of the Trust's response to your recent request for information.

The purpose of an Internal Review is to assess how your Freedom of Information request was handled in the first instance and to determine whether the original decision given to you was correct. This is an independent review and reviewers were not involved in the original decision.

Your request and our response

Please provide an overview of all the corporate teams in your trust/company secretary/corporate governance structure. Please provide job tiles and and agenda for change banding for each role in the structure. If data protection and legal are in this please provide also.

We are able to obtain this information however we have decided to apply Section 21 of the FOIA as this information is reasonably accessible in the public domain on the Trust's website on the following link:

https://www.uhbw.nhs.uk/assets/1/24-610_response.pdf
[24-610_corporate_governance_team_structure_-_redacted.pdf](https://www.uhbw.nhs.uk/assets/1/24-610_corporate_governance_team_structure_-_redacted.pdf)

Section 21 of the FOIA provides that we are not obliged to provide the requested information if it is already reasonably accessible and therefore we are withholding this information at this time.

Please note this structure chart is currently being updated.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

Your request for internal review

Please pass this on to the person who conducts Freedom of Information reviews.

I am writing to request an internal review of University Hospitals Bristol and Weston NHS Foundation Trust's handling of my FOI request 'Trust Secretary Structure'.

I do not believe this is true as the version supplied has been clearly redact suggesting that you DO HOLD the original.

A full history of my FOI request and all correspondence is available on the Internet at this address: https://www.whatdotheyknow.com/request/trust_secretary_structure

Outcome of the review

The Trust's Data Protection Officer has reviewed the response provided on 9th December 2024 and considers that we have now updated the Corporate Governance structure chart as attached.

Appeal Rights

After an internal review, you can appeal the decision to the Information Commissioner, subject to meeting their appeal criteria. Details of how to appeal to the Information Commissioner's Office can be found here: <https://ico.org.uk/make-a-complaint/foi-and-eir-complaints/foi-and-eir-complaints/>.
