

Freedom of Information Request

Ref: 24-884

12 November 2024

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please disclose how much (total £) the trust has spent on on-framework agency, off-framework agency, and bank staff in the past four full financial years (2020/21; 2021/22; 2022/23; and 2023/24).

In this instance, "on-framework" refers to organisations on NHS England's list of approved staffing providers. "Off-framework" refers to those who are not on this list but still provide services to trusts.

The figures should pertain to totals in each financial year and overall since 1 April 2020 (i.e., the start of the 2020/21 financial year). If possible, please also disclose:

- 1. A breakdown by total for all three (i.e., £2m on "on-framework", £800k for "off-framework", £1.2m for bank) in each of the four financial years; and**
- 2. If available, the top three specialties by spend in each of the four financial years (e.g., gynaecology, dermatology, cardiology).**

We are now in the process of moving to an official tender for the future delivery of this service and associated contract and we are currently unable to release any information regarding this until after the award has been approved.

By releasing any information during this period will unduly bias a potential bidder over the rest of the supplier pool and would be in conflict with the Public Contract Regulations 2015. This is commercially sensitive information and will not be shared at an organisational level. Section 43 of the FOI Act provides that information is exempt if its disclosure would or would be likely to prejudice the commercial interests of any person. Therefore, we are withholding this information at this time.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log.
