Ref: 25-031

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

1. What 3rd party company is currently contracted to support and service your security assets such as CCTV and Access Control?

We are now in the process of moving to an official tender for the future delivery of this service and associated contract and we are currently unable to release any information regarding this until after the award has been approved.

By releasing any information during this period will unduly bias a potential bidder over the rest of the supplier pool and would be in conflict with the Public Contract Regulations 2015. This is commercially sensitive information and will not be shared at an organisational level. Section 43 of the FOI Act provides that information is exempt if its disclosure would, or would be likely to prejudice the commercial interests of any person. Therefore we are withholding this information at this time.

2. What date does the current security service contract end?
