

Freedom of Information Request

Ref: 25-052

23 January 2025

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

I would like to request the number of Type 1 adult patients and Type 1 pediatric patients you have at your hospital. I would also like to request how many patients you have on each of the below pumps for both adults and pediatrics.

Ypsomed

Medtronic

Omnipod

Tandem T Slim

I would like you to provide this information in the following format.

	Adults	Paediatrics
Total number of patients with type 1 diabetes	1262	*

*We have not provided the information in the requested format as we have considered that there is the potential for the individuals to be identified, when considered with other information that may be in the public domain. In our view disclosure of information would breach the Data Protection Act. Therefore please find that Section 40 (2) exemption contained within the Freedom of Information Act 2000 is engaged. Section 40 is the exemption for personal information.

Total number of patients on below pumps	Adults	Paediatrics
Ypsomed	36	10
Medtronic	101	*
Omnipod	210	192
Tandem T Slim	108	78

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of Information Act 2000 is engaged. This follows NHS Digital (formerly HSCIC) analysis guidance (2014) which states that small numbers within local authorities, wards, postcode districts, providers and Trusts may allow identification of patients and should not be published.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
