

Freedom of Information Request

Ref: 25-099

10 February 2025

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

This is a request for information relating to Bristol Royal Children's hospital only. Can you please quote the number of children treated within the hospital as both inpatients and outpatients, who were treated for dog bite injuries, in 2024 only.

Number of patients (age < 18)	67
Number of inpatient admissions	19

Please note there is some overlap between the two figures (of the 67 patients who presented at Bristol Royal Children's Hospital Emergency Department, 13 are also included in the inpatient list - so this equates to 73 distinct patients).

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
Trust Headquarters
Marlborough Street
Bristol
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log.
