

**Freedom of Information Request**

**Ref: 25-185**

7 April 2025

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do not hold the information you are requesting

**I am writing to request information under the Freedom of Information Act regarding the expenditure on collecting Elective Orthopaedic Patient-Reported Outcome Measures (PROMs) data within your trust.**

**Specifically, I would like to know:**

**1. Total Expenditure: The total amount spent by your trust on collecting Orthopaedic PROMs data over the last ten financial years (2013-2024).**

**2. Breakdown of Costs: A detailed breakdown of this expenditure for each year, including:**

- **Costs associated with third-party suppliers for Orthopaedic PROMs data collection.**
- **Internal costs related to staff time and resources utilised for this purpose.**
- **The respective contract values for each year if third party suppliers are used.**

We do not hold this information. We do not record costs in the context of how long individuals have spent on different parts of their roles. Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer  
University Hospitals Bristol and Weston NHS Foundation Trust  
Trust Headquarters  
Marlborough Street  
Bristol  
BS1 3NU

Please remember to quote the reference number above in any future communications.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at: Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF

#### Publication

Please note that this letter and the information included/attached will be published on our website as part of the Trust's Freedom of Information Publication Log. This is because information disclosed in accordance with the Freedom of Information Act is disclosed to the public, not just to the individual making the request. We will remove any personal information (such as your name, email and so on) from any information we make public to protect your personal information.
