By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please can I have a copy of your Business Continuity & Escalation plans for your Emergency Departments

Under Section 31(1)(a) of the Freedom of Information Act, we are required to judge as to whether the disclosure of the information would, or would be likely to, prejudice the prevention or detection of crime. Under guidance issued by the Information Commissioner states that this exemption applies if disclosure of the withheld information would, or would be likely to prejudice the prevention of criminal acts in relation to the Trust's business continuity and escalation plans. We feel that the release of these plans into the public domain could potentially compromise these arrangements and cause disruption of the Trust's operations.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.

If, after that, you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to:

Data Protection Officer
University Hospitals Bristol and Weston NHS Foundation Trust
