Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

Please can I ask what is your information governance staffing structure and/or organogram? By Information Governance, this is to include the staff in the department/s that process Subject access requests, Freedom of information requests, Data protection impact assessments, the data security tool kit, undertake system audits, breaches and breach reporting, and other Information Governance related takes. Please include if there are several departments or divisions that undertake this work.

Please can this information clearly show who reports to who, their job title and banding, and how many WTE (Whole time equivalents) you have on your structure.

Please see the attached documents.

Please can you also include the total number of staff currently employed by the whole Trust, including clinical and corporate, so as I can gauge the size of your Trust.

Approximately 14,057

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
