

Freedom of Information Request

Ref: 25-431

4 June 2025

By Email

Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

I am conducting analysis on the treatment of haematology in secondary care and kindly request your help.

I would be grateful if you could answer the questions below in relation to the number of patients treated with specific medicines between the start of January 2025 to the end of March 2025, or the latest three-month period for which data is available. Please include data for all hospitals in the Trust.

SECTION 1

Q1. How many transplantations took place in the 3 months between the start of January 2025 and end of March 2025, or latest 3-month period available?

Transplants	Number transplantations
1.1 Haematopoietic Stem Cell Transplants (HSCT)	15
1.2 Solid organ transplants	8

Q2. How many people receiving transplantation were also treated with these products in the 3 months between the start of January 2025 and end of March 2025, or latest 3-month period available?

Name of product	Haematopoietic stem cell transplant	Solid organ transplant
2.1 Letermovir (Prevymis)	*	0
2.2 Valganciclovir (Valcyte, valganciclovir)	0	0
2.3 Maribavir (Livtency)	0	0

2.4 Ganciclovir (Cymevene)	0	0
2.5 Cidofovir	0	0
2.6 Foscarnet	0	0

Please note: Where the figures are between 1 and 5, this has been denoted by *. Due to the low numbers, we have considered that there is the potential for individuals to be identified from the information provided, when considered with other information that may also be in the public domain. In our view disclosure of these low figures would breach one of the Data Protection Principles set out in Schedule 1 of the Data Protection Act, namely Principle 1. The Trust therefore finds that the Section 40(2) exemption contained within the Freedom of information Act 2000 is engaged. This follows NHS Digital (formerly HSCIC) analysis guidance (2014) which states that small numbers within local authorities, wards, postcode districts, providers and Trusts may allow identification of patients and should not be published.

Q3. Specifically how many people were treated with the following products for Cytomegalovirus post Haematopoietic Stem Cell Transplant in the 3 months between the start of January 2025 and end of March 2025, or latest 3-month period available?
