Dear Sir/Madam

Thank you for your request for information under the Freedom of Information Act 2000. The Trust's response is as follows:

- We can confirm that we do hold the information you are requesting

We'd really appreciate your response in relation to the below questions, concerning the custom orthopaedic implant requests that may or may not have been seen from the orthopaedic department between 2024- 2025.

1. What was the total number of custom implant requests, specifically in cases relating to hip, knee and/or shoulder arthroplasty?

Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

2. For custom hip implants, what was the proportion of acetabular/femoral implants manufactured?

Please note, the Trust does not hold the data in a format that would enable us to fully respond to your request to the level of detail required and a manual trawl for this information would significantly exceed the 18 hours limit set down by the FOI as the reasonable limit. Section 12 of the FOIA provides that we are not obliged to spend in excess of 18 hours in any sixty-day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

4. What suppliers were used to manufacture these custom implants?

Our Procurement department have not been involved with any procurement contracts concerning custom implants, the orthopaedic implants procured are monbloc and modular. 5. Is there a further need for custom implant manufacturers that could support the department?

We do not hold this information.

This concludes our response. We trust that you find this helpful, but please do not hesitate to contact us directly if we can be of any further assistance.
