Meet Your Governors from North Somerset

Thursday 23 June 2022, 12-2pm

The last two years have seen many changes in relation to Weston General Hospital. The Trust's North Somerset Governors have been representing you in discussions about these. We would like to chat to you and hear your views on the changes that have happened and any future changes on the horizon in the Healthy Weston plans.

We will be in the **Rafters Restaurant** at Weston General Hospital on **Thursday 23 June from 12-2pm** to discuss issues, provide information and to hear from you about what really matters to you.

There is no need to book, just come along and say hello!

For more information, please contact the UHBW Membership Team on foundationtrust@uhbw.nhs.uk or 0117 342 3764.
